Afghan solar panel installers - showing companies in Afghanistan that undertake solar panel installation, including rooftop and standalone solar systems. 14 installers based in Afghanistan are listed below.

### Solar Empowers Rural Afghanistan

Our team installed over 700 small solar home systems for seven villages in Khost Province. These newer systems represented a significant improvement over past systems installed in Afghanistan. Most of the earlier systems were plagued by problems due to undersized solar panels, inappropriate batteries such as ones for automobiles and undersized
