

European Solar and Energy Storage Solutions

Afore energy Austria

Afore energy Austria

Afore at Canton Fair 2024

The interest in our latest solar and energy storage solutions has been incredible, and we are thrilled to showcase how our technology is driving a more sustainable future. PREVIOUS : Afore at RE+ 2024: Showcasing Innovative Energy Solutions. NEXT : Afore Italian team excellent technical communication!

AFORE NEW ENERGY TECHNOLOGY (SHANGHAI) CO., LTD

Afore è un fornitore leader di inverter di stringa e ibridi fotovoltaici dalla Cina, con oltre 14 anni di esperienza dedicata nella ricerca e sviluppo e nella produzione di inverter solari. Gli inverter Afore sono stati installati in Europa, Australia, Cina, India, Giappone, Nord America e Sud America, soddisfacendo migliaia di utenti nel mondo. Forniamo inverter di stringa fotovoltaici

Boost Home Energy Independence with Afore AF Inverters

The Afore AF low voltage Series storage Inverters plus series are designed to increase energy independence for homeowners. The power range is from 4kW to 6kW, compatible with low voltage (40-60V) batteries.

Upgrade to Solar Storage with Afore AC Coupled Inverter

The Afore Three-phase string inverters Low-voltage series are designed for commercial and power plant pV system applications, rating from 17kW to 30kW. All models with aluminum housings which is anodized, increasing durability and effectively prevents corrosion.

Afore Delivers Insightful Technical Training in Frankfurt

We had in-depth face-to-face communication with engineers and shared the products, technical advantages, installation and operation and maintenance of Afore energy storage solutions. We would also like to express my special thanks to our friends from more than 10 European countries who flew to Frankfurt to attend the technical exchange meeting.

NEWS - Suntrans, an official importer of Afore Inverters

Suntrans New Energy is delighted to announce our latest collaboration. We are now the official importer for Afore Inverters in the region, reinforcing our dedication to bring top-notch renewable energy solutions to our clientele.

Maximize Energy Independence with Afore AF Series Inverters

The Afore AF Series three phase storage inverters are designed to increase energy independence for homeowners and commercial users. The power range is from 3.0kW to 30kW, compatible with high voltage (150-800V) batteries.

Explore Afore AF Series 3-Phase Inverters for Energy Independence

The Afore AF series three phase storage inverters are designed to increase energy independence for homeowners and commercial users. The power range is from 3.0kW to 15kW, compatible with high voltage (80-600V) batteries.
