Aishwei photovoltaic inverter alarm 35

Overview

How to use aiswei app to monitor photovoltaic power stations & inverters?

If the Aiswei APP is used to monitor photovoltaic power stations and inverters, the monitoring device should be configured and connected to the Internet to work normally. Before registering an account, you need to have an email address or mobile phone number that can be available normally.

Does aiswei/solplanet have a global solar PV inverter market share?

September 19, Shanghai, China - AISWEI/Solplanet has achieved a significant milestone by securing 9th position in global solar photovoltaic (PV) inverter shipments in 2022, as reported in the Global Solar PV Inverter and MLPE Market Share 2023 report by Wood Mackenzie, a renowned global insight business for renewables, energy and natural resources.

Do I need a password for aiswei inverter?

Once you have finished the setting, you need a password when you need modify some parameter and the safety code. You can contact AISWEI services. Click "Safety code" will display all safety codes supported by this inverter, as shown in Figure 2-5-16. You can click the required safety code according to local requirements.

What is included in the manual for aiswei smartphone monitoring system (aisweicloud)?

The Manual describes the precautions, installation methods and operating instructions, etc. for the AiSWEI smartphone monitoring system (AiSWEICloud) in detail. The technical parameters described in this document are applicable to the current version of the product.

Common Solar Inverter Error Codes & Solutions

Inverter failure can be caused by problems with the inverter itself (like worn out capacitors), problems with some other parts of the solar PV system (like the panels), and even by problems with elements outside the system (like grid ...
