Alstom Power -- Wikipédia

Alstom Power, anciennement ABB-Alstom Power, était l'une des deux branches des activités « énergie » de la multinationale française Alstom, avant son rachat par l'américain General Electric avec Alstom Grid en 2015. Aujourd'hui, les activités nucléaires sont aujourd'hui regroupées au sein d'Arabelle Solutions, une filiale d'EDF [1], et les autres ont été conservées par GE, pour

ABB and Alstom agree merger

ABB Alstom Power is realistic about its ambitions in the USA, however. While it will be top in terms of market share for most of its products, GE will remain firmly in the number one spot for gas turbines. ABB Alstom Power will also use its strengths in the European markets, where continued deregulation and the combination of three major
