

European Solar and Energy Storage Solutions

Aotai Photovoltaic Inverter Company

Overview

Who is aotai electric?

Established in 1993, AOTAI Electric is a leading manufacturer of inverter machines, including both solar inverters and inverter welding machines. As a typical technology-oriented company, its main products reflect development level of cutting-edge technology in this field in China.

What is aotai solar inverter?

Aotai is named “Shandong modern welding equipment researching lad” by Government. The Solar inverter division was set up, which means Aotai enters the solar inverter industry officially. The distributors are expanded to 40 plus countries. National Science and Technology Progress Award for solar, first solar inverter manufacturer won this award.

Who is Aotai Solar?

Aotai Solar is a division of Aotai Electric Co., LTD that was set up in 2009, mainly manufacturing on-grid and hybrid inverters. Aotai was founded by several professors and their graduate students from Shandong University in 1993. Since its founding, Aotai has been dedicated to pursuing innovative technologies that bring breakthroughs in its field. Total installation is over 10GW.

What equipment does aotai electric manufacture?

Aotai Electric Co.,LTD. manufactures machinery equipment. The Company produces welding apparatus equipment, variable welding machines, cutting machines, automatic welding equipment, and other products. Aotai Electric also produces photovoltaic grid connected inverters, photovoltaic supporting equipment, and other equipment.

Why should you choose aotai solar inverter?

With strong R&D team, AOTAI has National R&D testing laboratory, and has

achieved over 300 patents. Its solar inverter won National Science and Technology Progress Award in 2016. Based in China market, AOTAI has partners and branches in over 128 countries.

How aotai became a major welding machine supplier in Shandong province?

Aotai became major welding machine supplier in Shandong Province. IGBT inverter welder series were developed. Aotai inverter welders gained the fame of "National New Products". The market expanded from Shandong to the rest of the territory, which cover power plant construction, petroleum, petrochemical, and metallurgy industries, etc.
