Mit diesen Leistungen positionieren wir uns als

TAX FREE 

ENERGY STORAGE SYSTEM

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

About us , Asantys

In 2022, after 13 years of successful project implementations in more than 50 countries and having delivered more than 7600 solar systems worldwide, Asantys Systems has adapted its business model to the matured solar markets it is serving and now provides an alternative sales channel: Asantys Components B2B online shop.

Asantys Systems Gmbh Profile

We serve you from the first planning of a solar system, the system sizing, the choice and procurement of solar components up to the installation, training, monitoring and maintenance. Our experienced consulting assures that we exactly meet your needs.

Asantys Systems GmbH

We serve you from the first planning of a solar system, the system sizing, the choice and procurement of solar components up to the installation, training, monitoring and maintenance. Our experienced consulting assures that we exactly meet your needs.

About us - Asantys Solar Systems

As a system integrator, Asantys Systems specialises in designing solar systems to meet energy requirements exactly, offering high-quality system components at best prices and implementing the project, including logistics,

installation and project management, quickly and cost-effectively.

À propos de nous - Asantys Solar Systems

Asantys Systems GmbH a été fondée en août 2009 par les quatre fondateurs M. Nicolas Rohrer, Mme Manel Naceur, M. Johannes Germ et M. Thomas Angerer puis lors, nous avons mis en oeuvre avec succès des projets solaires en Afrique et en Asie avec nos employés et un large réseau de partenaires de coopération.

About us , Asantys

As a German based solar system integrator and EPC provider, Asantys Systems specialised in designing solar systems to meet energy requirements, offering high-quality system components at best prices and implementing projects quickly and cost-effectively, including logistics, installation and project management.

Services - Asantys Solar Systems

As an EPC company with the target markets of Africa and Asia, we implement turnkey solar projects for our partners in the areas of off-grid and grid-connected photovoltaic systems, back-up systems, water pump systems and fuel-save systems. When implementing projects, we work hand in hand with project developers, project financiers and operators.

From Germany to Africa, Asantys Systems' logistics journey

At Asantys Systems, we believe that successful projects are not only about delivering solutions but also about the logistics that bring those solutions to life. So we are pleased to share a behind-the-scenes look at the logistics operations behind the "ASER300" project, a major initiative by the Agence Sénégalaise d'Electrification

Produkte - Asantys Solar Systems

Wir verfügen über mehr als 11 Jahre Erfahrung

mit der Systemintegration und Projektimplementierung in netzfernen Gebieten. Wir bieten unseren Partnern sowohl Inselnetze mit der Integration von bestehenden Technikräumen an als auch individuell geplante Energie-Containerlösungen. Kontaktieren Sie uns, um Ihr Projekt zu besprechen!

Vision - Asantys Solar Systems

Our vision is a world of prosperity, democracy, free access to educational opportunities and a functioning health system available to all. One basis for this is electrical energy. Once this is achieved worldwide on a sustainable basis our mission will be accomplished.

Asantys Solar Systems - Solarize your life!

We take care of the system design, the selection of high-quality system components, the purchasing of components at best prices including high volume discounts, the logistics to the installation site as well as the installation of the solar plant.
