## Unisun Energy: Microgrids for the Energy Transition

Through an Energy as a Service (EaaS) model, Unisun Energy designs, builds, owns, operates, and maintains our systems for the long term. We finance the projects using our own capital, so you pay only for the energy consumed.

## Services - Unisun Energy

Our expert industry knowledge and wide network of suppliers and financiers make Unisun Energy BV a strong partner for project development and installation. Our team can provide advice from early stage development up to the operational stage and beyond.

## UNISON Energy Partners

UNISON Energy Partners er en dansk virksomhed, som udvikler, bygger og driver VE-anlæg. UNISON blev etableret af en gruppe erfarne fagfolk inden for vedvarende energi. Ved at kombinere vores erfaring og ressourcer ønsker vi at sætte et betydeligt aftryk på omstillingen til en fremtid, hvor vedvarende energiproduktion er normen.

## Unisun Energy

Headquartered in Rotterdam, Unisun Energy Holding BV is a developer and EPC of solar PV projects. Our international team combines expertise in technical design, procurement, quality control and project management to deliver turn-key solar assets that are built to last.
