What is GIZ doing in Gaza?

GIZ is also supporting the improvement of basic services – such as access to healthcare, drinking water and sanitation – for Palestinian refugees and vulnerable population groups in the Gaza Strip. GIZ is supporting the Palestinian territories in developing the national economy, strengthening the state and democracy and promoting peace.

Are Palestinian refugees a barrier to achieving peace?

The unregulated status of Palestinian refugees is another major barrier to achieving peace in the region as a whole. The Palestinian economy does not offer sufficient opportunities for employment. Unemployment is high as a result, particularly among young people, women and people with disabilities.

Statement Development Minister Svenja Schulze on the latest

"We utterly condemn the Hamas attacks on Israel. This violence will produce only losers. Our full solidarity is with Israel in this difficult hour. We have always taken great care to ensure that our support for the people in the Palestinian territories serves peace and not terrorists. But these attacks on Israel mark a terrible watershed. And so we will be re-examining all our activities in
