

## European Solar and Energy Storage Solutions

# Botswana greengo energy

## Overview

---

Who is GreenGo energy?

GreenGo Energy is the go-to service provider and partner for institutional investors and investment funds that aim to unlock the value in renewable energy. Feel free to contact us about details and specific cases. "We develop green energy solutions of the future together with ambitious investors."

Who are GreenGo energy & New Power Partners?

The company has selected Danish consulting company COWI for power-to-X and infrastructure design and New Power Partners for renewable energy engineering design. GreenGo Energy CEO Karsten Nielsen stated: "The climate crisis is real."

Is Namibia a future hub for green hydrogen?

This move underscores our commitment to driving the transition to a sustainable, NetZero future by leveraging Namibia's unique potential as a future hub for green hydrogen. GreenGo Energy and Doral Energy are excited to see the construction of Project M110, a 60 MWp solar park in Urup, Denmark taking place.

Which projects are part of GreenGo energy's megaton project?

The projects are Stovstrup, Hemmet-Sønder Vium, Nørhede-Hjortmose and Vennervej, which are all part of GreenGo Energy's Megaton project. We are thrilled to announce our expansion into France, a significant milestone in our mission to drive forward the global energy transition.

How much water does GreenGo generate a year?

It will generate 70 million tonnes of desalinated water each year to support farming - three times what is used by the project to produce green fuel. GreenGo submitted the application in late November 2023. The ministry has expressed an interest and the company expects approval in the first quarter

of 2024.

What is a 4GW megaton Green Energy Park?

The company collaborated with the Ringkøbing-Skjern Municipality in Denmark to deliver the 4GW Megaton green energy park in 2023. To be built on 4,000 hectares of land, and will include onshore solar and wind farms and a 2GW offshore wind farm. Sign up for our daily news round-up! Give your business an edge with our leading industry insights.
