Brazil jackery explorer 500

Overview

What is a Jackery explorer 500?

DESIGNED FOR PORTABILITY: Same size as a basketball, this Explorer 500 is easy to carry with its solid handle, making it a compact and reliable choice for scenarios of camping, road-trip, RV, and home backup. **WHAT YOU GET:** 1* Jackery Explorer 500 Portable Power Station (518Wh Power Station), 1*AC adapter, 1* car charger cable, 1* user manual.

Is Jackery explorer 500 a good power station?

Jackery Explorer 500 Portable Power Station does not emit fumes or use fuels, making it an eco-friendly and renewable power solution for camping, RV trips, off-grid living, and home backup. In addition to having a durable, lightweight, and portable design, the power station is backed by an additional 2-year warranty and a 1-year extended warranty.

How much does a Jackery explorer 500 weigh?

It is extremely easy to carry, with a weight of just 13.32 lbs. Jackery Explorer 500 Portable Power Station features 1 * AC outlet, 2 * DC ports, 1 * car port, and 3 * USB-A ports to charge low to high-power appliances, including air pumps, CPAP machines, TV, mini-refrigerators and more.

Does the Jackery explorer 500 have a USB-C port?

The Jackery Explorer 500 has a super-rugged build, offers multiple charging options and lets you recharge it with a compatible solar panel. It also packs a 518Wh Lithium-ion battery and comes with a 24-month warranty. However, the absence of a USB-C port and the poorly thought-out design of the DC ports might put off some of its potential users.

What is a explorer 500 portable power station?

Solar Powered, Battery Powerd LONG LASTING ENDURANCE: The Explorer 500 portable power station is built with the lithium-ion battery pack, in a safely

designed frame structure to maximize, and long last the power for every single use of outdoor adventures and home use.

What are the pros and cons of Jackery explorer 500?

The Jackery Explorer 500 offers various useful features. They include support for pass-through charging, a built-in MPPT controller and sturdy, durable construction. However, as highlighted above, it also has its fair share of shortcomings. Let's look at the pros and cons of Jackery Explorer 500.
