Carporty

Wyróżniająca się na rynku konstrukcja wsporcza do modułów fotowoltaicznych typu Carport została zaprojektowana w taki sposób, aby maksymalnie ułatwić jej użytkowanie. Wjazd i wyjazd nawet na małych działkach, podjazdach i parkingach, czy rozpakowanie samochodu po zakupach lub wyjście małych dzieci z samochodu nie będzie teraz problemem. Rozstaw słupów sprawia, ...

About us

As Budmat PV Systems, we specialize in the production and sale of products such as: structures for photovoltaic farms, cold-bent structures such as roof purlins, wall transoms etc., steel structures, design services, materials processing services. We provide comprehensive cooperation at every stage of the implementation of the investment: calculations and ...

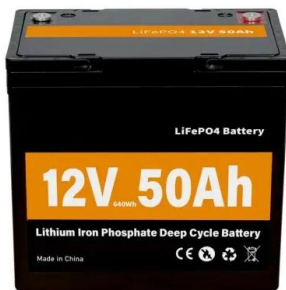

SUPPORT STRUCTURES FOR PHOTOVOLTAIC PANELS

As Budmat PV Systems, we specialize in the production and sale of products such as: structures for photovoltaic farms, cold-bent structures such as roof purlins, wall transoms etc., steel structures, design services and materials processing services. We provide comprehensive cooperation at every stage of the implementation:

Budmat PV Systems

Budmat is a capital group operating in the international building materials market, offering a wide range of high-quality products made from the highest quality steel. Budmat is one of Europe's largest manufacturers of PV support systems, steel roofing, guttering, fencing systems and structural profiles. Our production capacity exceeds 150MW of
