Can the Dawn Awakening locker be deleted

Overview

Does a warden's equipment transfer in awakening?

Your warden may have different equipment when you first start DAA, but whatever they had in inventory should still be there. The only items that transfer in Awakening are the ones you have once either equipped or in inventory and DLC items from RtO and Stone Prisoner with the exception of Shale's crystals.

Will awakening break the game?

You will start out Awakening with all stuff equipped and in your inventory, it won't break the game since enemies are stronger and the lvl cap rises. Most DLC items don't transfer over, but I think there are some PC mods that can fix that. All the things that you have in your inventory and equipped will be taken to Awakening.

Can I buy back Bodhan in awakening?

Bodhan won't be in Awakening, so if you want to buy back you gotta do that beforehand. You will start out Awakening with all stuff equipped and in your inventory, it won't break the game since enemies are stronger and the lvl cap rises. Most DLC items don't transfer over, but I think there are some PC mods that can fix that.

How do I archive items in my locker?

To archive an item in your locker, do the following: Navigate to whatever item needs to be archived. If you change your mind and want to return the Archived cosmetic item to your main Locker, follow this guide to Unarchive it: Can't find what you're looking for?
