Can the suspended bedside table be used for storage

Overview

Take wall-mounted shelves—the latest in bedside storage—for example: The compact design frees up space while making use of an otherwise empty bedroom wall. Add a drawer to the shelf, as these 10 designers have, and the idea works even harder.

Take wall-mounted shelves—the latest in bedside storage—for example: The compact design frees up space while making use of an otherwise empty bedroom wall. Add a drawer to the shelf, as these 10 designers have, and the idea works even harder.

You can paint or stain them to match your bedroom decor. Alternatively, you can attach a wire or plastic basket, such as this hanging storage box, from Amazon, underneath the bedside table to make use of the often-unused space. These can be attached with adhesive hooks or strips to avoid damaging the bedside table. 4.
