Chunxing Jinggong Photovoltaic Energy Storage Industrial Park

12.8V 200Ah

Overview

Who is chunxing jinggong?

About the spring xing Founded in September 2001 and listed on the main board of shenzhen in February 2011, chunxing jinggong co., LTD., headquartered in weiting town, suzhou industrial park, China, has a registered capital of RMB 1.128 billion. It covers an area of about 600,000 square meters. It currently employs about 7,000 people.

Who is Suzhou chunxing precision mechanical co?

Suzhou Chunxing Precision Mechanical Co., Ltd.- About the spring xing Founded in September 2001 and listed on the main board of shenzhen in February 2011, chunxing jinggong co., LTD., headquartered in weiting town, suzhou industrial park, China, has a registered capital of RMB 1.128 billion. It covers an area of about 600,000 square meters.

What is chunxing brand?

Precision aluminum alloy structure parts of "chunxing" brand communication industry were identified as "jiangsu province famous brand products", and "chunxing" brand was identified as "jiangsu province famous brand". In 2018, it was rated as an enterprise with outstanding economic contribution by suzhou industrial park.

How will energy storage projects be subsidized?

For energy storage projects connected to the grid and connected to the carbon peaking platform in the park after January 1, 2022, the project investor will be subsidized in 3-year term by 0.3 yuan/kWh according to its discharge contribution.

Where is China's rooftop PV plant located?

The rooftop PV plant is located at an industrial park in China's Shandong province. Chinese PV inverter manufacturer Sungrow said it has supplied its

string inverters for a 120 MW rooftop PV plant located in Jining, in China's Shandong province.

How much did Chunxing Seiko sell in 2016?

The company's annual sales volume reached 2.536 billion yuan in 2016, up 19.74% from the previous year. Chunxing Seiko is a leading domestic precision light metal structural parts manufacturing and service provider, committed to providing customers with precision manufacturing solutions and one-stop services.

Chunxing Jinggong Photovoltaic Energy Storage Industrial Park

A Look at China's Energy Storage Industrial Parks

The Hunan Loudi Renewable Energy Electric Vehicle Battery and Energy Storage Industrial Park is reported to have a total planned area of nearly 500 acres and will focus on the development of three core industry ...
