DONGGUAN CHY BATTERY TECHNOLOGY CO., LTD

Dongguan Chy Battery Technology Co., Ltd is a professional manufacturer focusing on providing integrated solution for PV generator, energy storage and charging station. Besides the standardized home energy storage products which developed by ourselves, they can also customize the energy storage solution based on your personalized requirements.

Dongguan Chy Power Technology Co., Ltd.

Located in Huangjiang Town, Dongguan City, Guangdong Province, the lithium battery PACK finished packaging base covers a total area of 8,800 square meters, with a total investment of more than 85 million yuan before and after the project, and currently has 316 employees, including 87 professional R& D and engineering technicians, with its own

Dongguan Chy Power Technology Co., Ltd.

Dongguan Chuanghuiyuan Power Technology Co., Ltd., first established in June 2005, after more than ten years of development, has grown into a research and development, development, production, processing, sales in one of the lithium battery production enterprises.

PRODUCTS-Dongguan CHY Power Technology Co., Ltd

Lithium-ion (Li-ion) batteries are inarguably the most popular type of rechargeable battery, it's eco-friendly, lightweight and compact, has high energy density = A bigger punch, longer life span and the ability to deep cycle while maintaining ...

Dongguan Chy Power Technology Co., Ltd.

Founded in June 2005 in China, Dongguan CHY Power Technology Co., Ltd. Is a customized factory which specializes in R & D, production and sales of portable outdoor power station, home backup power, energy storage inverters, solar charging panels and energy storage batteries.

ENERGY STORAGE SYSTEM

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW/115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

About Us

-> Most competitive price with 2 factories in Dongguan and Hunan, total 600+ employees, including 48 professional engineers.-> Strong R& D team and strict QC system ensure the quality.-> Have lithium battery test laboratory, 100% aging test and inspection before

shipment.-> Trusted by Huawei, Newman, DGL group, EU telecom, Ukrainian military, etc.
