### Congo: Calls to scrap the dowry system

Under this system, the woman's family, especially the ones that are poor, gives permission to their daughter, pregnant or otherwise, to stay together with her boyfriend, provided that the man has the capacity to take care of her financially, mentally and psychologically. No cash is traded between the two families.

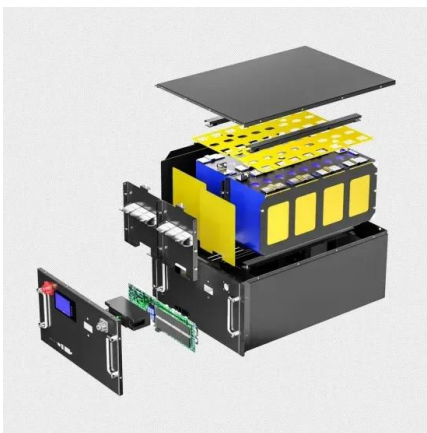

### DR Congo strives to reconcile young people with books

The printer in the corner of Martin Lukongo's print shop in Goma, a city in DR Congo's troubled east, vibrates as it churns out an order for 400 copies of a book. For more than 30 years, this part of the vast central African country has been known for the conflict that now surrounds the city, rather than for any literary output.

### Kinshasa Solar City solar farm

Kinshasa Solar City solar farm is an announced solar photovoltaic (PV) farm in Menkao, Maluku Commune, Tshangu District, Kinshasa, DR Congo. Project Details Table 1: Phase-level project details for Kinshasa Solar City solar farm

## Thailand enhances visa security and convenience with e-Visa

3 ???· He said the system is a significant upgrade to Thailand's visa processing framework, offering a more modern and efficient solution. "The e-Visa system is designed to enhance efficiency and transparency while providing robust security by utilising advanced technology and verification methods to protect personal data.
