18:14. R39 999.00. The Deye 5KW Hybrid Inverter is a high-quality hybrid inverter that allows for off-grid and grid-tied systems. This Deye inverter has

## Australia

Each unit pulls max 5kw - 100A max anyway, for a 280Ah pack thats fine. The inverters allow custom voltage settings for charging (it assumes SLA battery when doing this?) - which I set to 55.2 for Absorb & Equalization - which actually gives 54.7v at the battery (just an odd 0.5v diff for some reason). So it hits 3.418v per cell on charge.
