Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white solar energy storage units on wheels. The left stack is labeled '20 Kwh', the middle '30 Kwh', and the right '50 Kwh'. Each unit has a small digital display and control panel. The background shows a house and a snowy mountain range. The text highlights 'Higer conversion efficiency' and 'CAN/RS485/WIFI/4G Blue tooth communication'. At the bottom, two green boxes state 'Thick shell, well protection for inside cells' and 'BMS customization supported'.

Eager energy Montenegro

Montenegro labels 15 energy projects as infrastructure priorities

4 ???· The Government of Montenegro has adopted a list of priority infrastructure projects for the energy sector to fulfill the final criteria of chapter 21 - Trans-European Network, of the country's negotiations on the accession to the European Union.
