

## European Solar and Energy Storage Solutions

# Energy projects company Ethiopia

## Overview

---

What are the major energy projects in Ethiopia?

In the energy sector, Ethiopia's major projects include the Great Ethiopian Renaissance Dam (6000MW), Gilgel-gibe III (1,870MW), and Genale Dawa III (254MW) hydropower projects. Additionally, there are the Adama and Ashegoda wind power projects.

Will Ethiopia become the largest wind farm in the Horn of Africa?

This project will become the largest wind farm in the Horn of Africa, setting a new standard for project-financed renewable energy in the country. This initiative is more than just an energy project; it is a step toward a greener future for Ethiopia. We are eager to continue our collaboration with our partners and stakeholders.”.

Can a photovoltaic power plant be built in Addis Ababa?

In 2017, we presented a bid to develop the Metehara photovoltaic power plant in the Oromia region, around 200 km from Addis Ababa. Once built, the 100 MW AC power capacity solar park will produce over 280 GWh per year and reduce CO<sub>2</sub> emissions by 296,000 tons annually.

How much energy will Aysha project generate a year?

The USD 620 million project, located in Aysha, Somali Region State, is expected to generate 1,400 GWh of clean energy annually, powering more than 4 million households and reducing carbon emissions by more than 690,000 tons per year.

Why are we working in Ethiopia?

We're working in Ethiopia to offer a future filled with sustainable opportunities. In 2017, we presented a bid to develop the Metehara photovoltaic power plant in the Oromia region, around 200 km from Addis Ababa.

Who signed the land lease agreement in Ethiopia?

During the signing ceremony, the PPA was signed with the Ethiopian Electric Power, the IA was signed with the Ministry of Finance of Ethiopia, and the Land Lease Agreement was signed with the Somali Region State Government.

## Energy projects company Ethiopia

---

### **ERG: Energy and Environment , Research , Advice , Enterprise**
