5 Major Ports of Somalia

Let us have a look at the major ports of Somalia.
 1. Port of Mogadishu. Mogadishu Port is situated on the southeastern coast of Somalia, in the capital city and a few nautical miles from the strategic port of Mombasa. It is the principal port of Somalia, surrounded by a huge artificial breakwater stretching 359 m and a 14 m deep navigation channel.

Somalia: New port shows improving maritime security

That Somalia has been able to open a new port facility at Garacad this year shows the significant improvement in maritime security that has taken place in this area. The port intends to relieve congestion at other Somali ports and hopes to also open up central areas of the country - including through links to Ethiopia - to increase exports.
