What makes Stressless ® a sustainable brand?

Stressless ® origins and surroundings are the foundation for design and innovation. The brand is committed to sustainability and simplicity. This provides a legacy that Stressless ® symbolizes across borders and markets. Stressless ® aims to become the world's most sustainable furniture maker, and a leader in circular design.

Who is Jens Ekornes?

Jens Ekornes founded the company in 1934, after which an unbroken lineage of proud craftsmen have produced some of the world's finest furniture. In a place where resources were scarce, everything had to be built to last. That philosophy still resides within the factory walls. In 1934, Jens Ellingsen Ekornes (pictured) founded a furniture company.
