Most food in the Turks and Caicos is imported directly from Florida, so many brands and items are American products. Due to our luxury tourism market, several stores also carry organic, gluten-free, and specialty foods and international ingredients.

Are there Walmart stores in Turks and Caicos?

While there are no stores in Turks and Caicos that are exactly like Walmart, there are a few options for visitors looking for a variety of products in one place. These stores may not have the same range of items as a Walmart or Target, but they offer a mix of groceries, household goods, and other items.

Where can I find fresh seafood in Turks & Caicos?

Locally caught seafood has always been a staple fare in Turks and Caicos cuisine, and fresh fish, conch, and lobster, caught only minutes or hours prior, can often be found at several locations on Providenciales. There are several small dedicated fish markets around the island, and the larger supermarkets usually stock local seafood as well.

What kind of fish are in the Turks & Caicos?

Locally caught fish available in the Turks and Caicos includes several types of snapper, grouper, jacks, mackerel, queen conch, Caribbean spiny lobster, and sometimes deep-sea species such as tuna, mahi-mahi, and wahoo. Prices are

at seafood markets. Grocery stores and supermarkets typically have considerably higher prices.

Is there Costco in Turks & Caicos?

No, there is no Costco in Turks and Caicos but there IS a Sam's Club. Though not as large as you'd find in North America, it's a popular choice for both locals and visitors looking to stock up on groceries, household items, and other goods. You don't need a club card to shop at Sam's Club.
