

European Solar and Energy Storage Solutions

Estonia sun king solar

Overview

What does Sun King provide?

Sun King provides solar home systems that power lights, mobile phones, radios, and larger home appliances. The company is leading a transformation in how electricity is provided across Africa and Asia, where 1.8 billion people still lack access to a reliable electrical grid. To date, Sun King has powered the lives of 82 million people across 40 countries.

Is Sun King a successful solar company?

Sun King has achieved significant success in the solar industry, accounting for 38% of total industry-wide PAYG (Pay As You Go) solar revenue according to the latest data from GOGLA. This success has led to the elimination of 22 million tons of carbon dioxide emissions and savings of \$4.4 billion in energy costs for consumers.

Is Sun King a good investment for off-grid solar?

According to T. Patrick Walsh, co-founder and CEO of Sun King, this investment in Sun King represents an incredible inflection point for the global off-grid solar industry. (The passage does not directly answer the question about Sun King being a good investment, but it does provide context that the investment in Sun King is significant for the off-grid solar industry.).

Is Sun King profitable in Nigeria?

Sun King has remained consistently profitable in Nigeria, where its user base has tripled in the past year. According to the latest data collected by GOGLA, Sun King now accounts for 38% of total industry-wide PAYG solar revenue in the country.

What is Sun King PAYG financing?

Sun King's PAYG financing model makes solar affordable to virtually all off-grid and weak-grid homes, allowing customers to leapfrog electrical grids and

fossil-fuel energy sources entirely. Households receive high-quality equipment, which they can then pay off as they use the asset.

Is Sun King a profitable company?

Sun King has remained consistently profitable while growing rapidly in Kenya and Nigeria. Today, one in five people in Kenya use Sun King, with 18 million Kenyans having benefited over a decade of operations. In Nigeria, the company's user base has tripled in the past year alone.
