

European Solar and Energy Storage Solutions

Estonia tongwei solar co ltd

Overview

Who is Tongwei solar?

This year, Tongwei will be the largest producer of polysilicon for the solar industry (with all existing and future capacity outside of the Xinjiang region) and the largest producer of solar cells. The company is now a circa. US\$10 billion turnover entity, with sales tripling in the past few years.

What is Tongwei polysilicon lead?

The quality, technical indicators and costs of Tongwei polysilicon lead globally, covering both electronic and solar grades. Tongwei has established strategic partnerships with several well-known downstream photovoltaic cell and module enterprises in China. The product quality has received high recognition in the market.

What is the quality of Tongwei crystalline silicon?

The product quality has received high recognition in the market. With a purity of 99.999999999%, the products represent the excellence of high-purity crystalline silicon "intelligent manufacturing in China". With the solid and robust upstream reserves within the industry chain, Tongwei entered the module business in 2013.

What makes Tongwei a good company?

fishery facilities and equipment, and financing guarantees. Tongwei is a large multinational enterprise with eco-agriculture and new energy as our dual main business. Believing that "PV changes the world," we take it as our responsibility to build a world-class clean energy supplier and a world-class safe food supplier.

Who is Tongwei?

Tongwei is a large multinational enterprise with eco-agriculture and new energy as our dual main business. Believing that "PV changes the world," we

take it as our responsibility to build a world-class clean energy supplier and a world-class safe food supplier. Aiming at "for better life," we will create a double green future with you.

Who is Tongwei agricultural development?

Deeply ploughing agriculture for 40 years, Tongwei Agricultural Development has focused on feed production and aquacultural product breeding. fishery facilities and equipment, and financing guarantees. Tongwei is a large multinational enterprise with eco-agriculture and new energy as our dual main business.
