Announcements , Frazer Solar

Frazer Solar has today signed the contract with the Eswatini government to undertake the large scale solar-storage project at Edwaleni. This contract guarantees the ability for the company to operate the Eswatini project for the entire 40 year project term. It is a major milestone and the culmination of 2.5 years work.

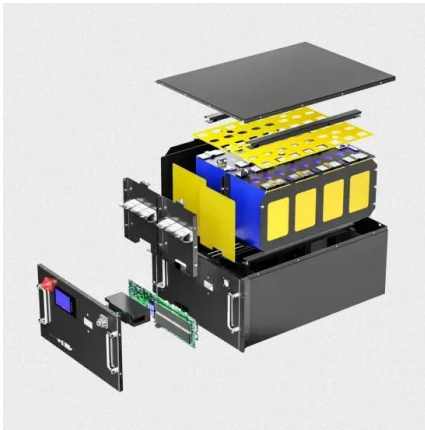

Eswatini

Frazer Solar is developing a large-scale solar-storage project for IPP investor, owner and operator Frazium Energy. Phase 1 of the development involves solar PV coupled with battery storage to provide 200 MWH of dispatchable baseload electricity per day. Electricity will be supplied to countries in the SADC region.
