

European Solar and Energy Storage Solutions

Fiji amigo solar

Overview

Who is solar Fiji?

With over 18 years of experience in the solar industry and a track record of successfully deploying over 20MWp of solar projects in Australia and the South Pacific, Solar Fiji is your go-to renewable energy service provider in the region. Our quality workmanship and commitment to customer satisfaction set us apart from the competition.

Why should you choose solar Fiji?

As an official partner of Victron Energy, our quality solar products and services are designed to maximize the longevity of your system, providing energy efficiency and cost savings for the long term. If you're looking for a reliable and experienced renewable energy service provider in the South Pacific, look no further than Solar Fiji.

Who supports the Fiji solar project?

IFC has been supported by the governments of Australia and New Zealand through the Fiji Partnership and the Danish Government to carry out this solar project in Fiji.

Who makes the best solar inverter in Fiji?

Our dedication to using trusted brands guarantees that our customers receive the highest standard of solar products and services in Fiji. Fronius, Sungrow, and Selectronic are renowned inverter manufacturers known for their exceptional quality and performance.
