### ZBA okays approvals for battery storage facility - Chelsea Record

The zoning board of appeals approved a special permit and variance for the Flatiron Energy Energizer Storage battery storage facility proposed for 284 Eastern Ave. at its regular meeting last week. Flatiron Energy is an energy developer, owner, and operator that owns and operates the energy storage systems it develops.

### Flatiron Energy

The Flatiron Energy team has deep expertise in energy storage project development, construction, finance, and asset optimization. Our mission is to reduce emissions that contribute to climate change and environmental injustice through the development of utility-scale energy storage projects.

To Strive forward No Energy Waste

- ✓ All in one
- ✓ 100~215kWh High-capacity
- ✓ Intelligent Integration

### Hull Street Energy Announces Commitment To Flatiron

Bethesda, MD, August 2, 2022 - Hull Street Energy ("HSE") has made a strategic investment in Flatiron Energy ("Flatiron"), a certified B Corp (pending) focused on developing, owning, and operating utility-scale energy storage to meet the needs of the decarbonizing electric grid. Flatiron is led by a diverse team of accomplished energy storage leaders with over 25 years combined

## Flatiron Energy

Flatiron Energy is a Certified B Corporation. The Flatiron Energy team has deep expertise in energy storage project development, construction, finance, and asset optimization. Our mission is to reduce emissions that contribute to climate change and environmental injustice through the development of utility-scale energy

## Flatiron Energy

Flatiron Energy is a company that focuses on the development, construction, ownership, and operation of standalone utility-scale energy storage in the energy sector. The company's main offerings are energy storage systems that aid in the integration of renewable energy onto the grid, the replacement of fossil fuel plants, and the enhancement of

## Company hopes Boston gets a charge out of its plans for a large ...

A Colorado company that builds industrial-sized battery systems for use in electrical grids says it will soon file plans to build a two-story "battery energy storage system" at 35 Electric Ave. in Brighton.. Large battery banks have emerged as a solution for a problem posed by electrical systems supplied with power generated by renewable resources such as wind ...

## Hull Street Energy Announces Commitment To Flatiron

Flatiron partners with landowners, utilities, and local community organizations to build the next generation of energy storage infrastructure

needed to achieve a carbon-free electricity grid. HSE actively targets opportunities to invest in ...

## Flatiron Energy Company Profile

Flatiron Energy is a company that specializes in developing, building, and operating energy storage projects. It offers land acquisition, greenfield development, commercial structuring, construction and procurement, operation and bidding, and other services.

## Flatiron Energy

**Utility-Scale Energy Storage Systems:** Flatiron Energy develops and operates large-scale battery storage systems to support the electricity grid and serve entire communities. **Project Development and Operations:** Flatiron oversees the entire process of energy storage projects, from property acquisition to construction and long-term operations.

## 35 Electric Avenue

Flatiron Energy LLC, doing business as (d/b/a) Lite Brite Storage LLC (the "Proponent"), is proposing to construct a new two-storied battery energy storage facility at 35 Electric Avenue in the Brighton neighborhood of Boston. The Project will contain approximately 62,000 square feet of Gross Floor Area in a single two-storied building.

## Flatiron Battery Energy Storage Project Initiates Planning Review

Flatiron Energy recently filed a Project Notification Form for "Project Lite Brite," a 200-megawatt battery energy storage system (BESS) facility located in Brighton, Massachusetts, initiating Article 80 review with the City of Boston. VHB is managing the Article 80 review process for the facility, which is being designed by RODE Architects.

## Flatiron Energy

Flatiron Energy develops and operates large-scale battery storage systems to support the electricity grid and serve entire communities. Project Development and Operations: Flatiron oversees the entire process of energy storage projects, from property acquisition to construction and long-term operations.

## Planning Board Takes Up Flatiron Battery Energy Storage Project

Representatives from Flatiron Energy presented an overview of their plans for the construction of

a battery energy storage structure at 284 Eastern Ave. during Tuesday night's planning board meeting. The project will require a major site plan review from the planning board, as well as a number of special permit and variance recommendations

## New consortium to unlock the power of solar energy in African

3 ???· An Imperial-led consortium with partners in Ghana, Kenya, and Rwanda, is set to boost community access to solar energy in Sub-Saharan Africa. Africa is the most sun-rich continent ...

## Battery Storage Project Planned on Brighton's Electric Avenue

A clean energy startup is eyeing a Brighton industrial property just south of the Massachusetts Turnpike for construction of a battery storage facility. Boulder, Colorado-based Flatiron Energy develops energy storage facilities through property acquisitions and leases. The 2.8-acre property at 35 Electric Ave. in Brighton is currently occupied

## New consortium to unlock the power of solar energy in African

3 ???· An Imperial-led consortium with partners in Ghana, Kenya, and Rwanda, is set to boost

community access to solar energy in Sub-Saharan Africa. Africa is the most sun-rich continent in the world, but it still relies on fossil fuels for most of its electricity production, which has implications for its carbon footprint.
