Gabon lenercom battery

Lenercom Residintial ESS E2 Series (High Voltage)

Lenercom focus on the R& D, manufacturing, micro-grid ESS and Energy Storage System. Lenercom Products Include: home battery system, Commercial Battery System, Industrial Battery Storage System & large scale battery energy ...

Production Capacity

LENERCOM is a national hi-tech enterprise specialized in R& D, manufacturing and service of micro-grid ESS. We focus on the innovative application of renewable energy, and committed to provide residential, commercial and industrial users with integrated photovoltaic ESS solutions. We are building a global service network, and continuously creating value for our customers.
