## Overview

---

What is Ginlong (Solis) Technologies?

Ginlong (Solis) Technologies (Stock code: 300763.SZ) is a company that has one of the widest installed bases of string inverters globally. Our inverters convert DC to AC power and interact with utility grids in markets around the world, reducing carbon footprints and helping enrich society.

What is Ginlong Solis?

Ginlong Solis is a company that provides residential, commercial and utility-scale sectors with sustainable solar products while promoting a scientific, green and humanistic culture. They offer the SOLIS-MINI-3600-4G, a 3.6kW Mini Series inverter with a precise MPPT algorithm and a maximum efficiency above 97%.

Who is ginlong technologies?

Ginlong Technologies manufacture and develop products for all solar market sectors. Our strength in research and development, coupled with our world class supply chain and manufacturing capabilities mean we are able to tailor and optimise our products for regional markets.

How is Solis ranked in the Global String Market?

Solis is ranked among the top 5 in the global string market and is the No.1 in China's Domestic Residential market, the No.2 in the global single-phase, and the No. 3 in the global three-phase string market by shipments (MWac)
