Guernsey energy storage cost

Overview

What is the maximum resale price for electricity in Guernsey?

Guernsey Electricity Limited, in accordance with section 23 (2) (b) of the Electricity (Guernsey) Law 2001, hereby gives notices that the maximum resale price at which electricity can be resold by persons to whom it is supplied is *25 pence per unit. What Is A Tariff?

Put simply, a tariff calculates your bill.

Does Guernsey Electricity charge a monthly charge?

Where Guernsey Electricity is required to provide a standby electricity service for 'behind the meter' non-renewable energy installations (including CHP) with generation capacity in excess of 25kW, a monthly charge will be applied. For every kW of installed capacity, we charge the standby rate.

Who is Guernsey energy?

From tailored payment plans and energy efficiency advice to priority callouts and safety checks, we're here to make things easier for you if we can. © 2024 Guernsey Energy, a trading name of Guernsey Gas Ltd, a member of the Islands Energy Group. We've been providing energy solutions to the Channel Islands for almost 200 years.

Does Guernsey have a heat pump tariff?

There is also a dedicated Heat Pump Tariff. Guernsey Electricity reserves the right to interrupt a supply to dedicated heating tariff meters, in the unlikely event of severe network conditions for up to 30 minutes in a 24-hour period, with a maximum number of interruptions being four times per calendar year.

Does Guernsey energy offer free priority care?

We offer free Priority Care for customers who need extra support. From tailored payment plans and energy efficiency advice to priority callouts and

safety checks, we're here to make things easier for you if we can. © 2024 Guernsey Energy, a trading name of Guernsey Gas Ltd, a member of the Islands Energy Group.
