

European Solar and Energy Storage Solutions

Guinea solar kit kft

Overview

The Koumaguéli Solar Power Station is a 40 MW (54,000 hp) plant under development in . When completed, it is expected to be the largest grid-connected, privately funded solar power plant in the country.

Guinea solar kit kft

InfraCo Africa commits US\$3.1m to develop the Khoumagueli Solar project

Khoumagueli will be Guinea's first grid-connected solar power plant, adding 40MW of much-needed, renewable energy to the country's 566 MW national grid. Located near the city of Linsan in the Province of Kindia, the plant will connect to existing grid infrastructure.
