We have quality carbon bikes for rent which are tried and tested in the Icelandic environment. Centrally located in the Reykjavik area, we are a convenient

Grocery shopping in Iceland : r/VisitingIceland

I like to pack lite. So I'm planning to use soft cooler bags with insulated paddings for food storage. A lot more flexible and budget friendly, easier to find too. The temperature in March shall keep the food fresh without ice. If you really need ice, I'd use frozen bottle waters if there is a freezer available at the accommodations.
