About Us

The Solar Rating & Certification Corporation (ICC-SRCC) is an ISO/IEC 17065-accredited third-party certification body specializing in solar heating and cooling products. ICC-SRCC's certifications,

ratings and listings are accepted throughout North America.

Inspections

ICC-SRCC requires periodic inspections for the OG-100, OG-300, OG-400 and listing programs for solar thermal products. Listees are notified early each year whether an inspection will be required on a given year. New listees must undergo an inspection within 6 months of the award of the first certification or listing.
