Jordan generac energy systems

Overview

Is Generac a natural gas generator company?

Generac was honored with the 2014 Natural Gas Generator Company of the Year Award from Frost & Sullivan for its contribution to the North American natural gas generator set industry.

Why should you choose Generac & energy systems?

Save money, gain greater independence and prepare for the unexpected with cleaner, smarter energy for your home from Energy Systems and Generac, the most trusted names in the industry.

Where are Generac generators made?

Generac is headquartered in Waukesha, Wisconsin, and has manufacturing facilities in Berlin, Oshkosh, Jefferson, Eagle, and Whitewater; all in Wisconsin. Founded by Robert Kern in 1959, the company soon began producing portable generators for Sears, Roebuck and Co. under the Craftsman brand.

When did Generac buy caterpillar?

In 1992, Generac began private labeling generator sets for Caterpillar, Inc. As the partnership grew between the two companies, they discussed a potential acquisition of Generac by Caterpillar, although a deal was never finalized. In June 1996, Caterpillar decided to terminate the private labeling agreement.
