Solar Panels

With its sunny climate, Portugal, and especially the Algarve, is the perfect location to benefit from the sun for both electricity and hot water. Casa Verde provides a complete portfolio of systems, our solutions range from 1.5kW/h to 30 kW/h tailored to the needs of your home, minimising your daytime and night-time* energy costs.

Solar Panel Installers, Serving Houston Texas & Surrounding

Areas

KW Solar operates on market forces, not policy. The economics of KW Solar Houston solar installers are based simply on how much a solar system costs to install, and how much the market can afford to pay for it. The 30% federal tax credit, which was recently extended through 2019, is a big help to our customer base and opens the market considerably.
