Large battery box British Virgin Islands

Large battery box British Virgin Islands

Virgin Islands Energy Office Overhauls Battery Program

Effective Nov. 8, the Virgin Islands Energy Office overhauled the Virgin Islands Energy Storage (VIBES) program, opening up the application specifications to allow for larger battery systems to participate. VIBES is all about keeping the lights on, even when a storm or other event causes electrical service in the territory to be disrupted.

Custom Battery Boxes for DIY Builders

Are you struggling to mount a battery in your custom vehicle or trying to find a more secure solution for your battery mount? We have custom battery boxes to solve this problem. The Motobilt Battery Boxes are laser cut and precision formed in house.
