

European Solar and Energy Storage Solutions

Looking for solar power generation partners

**FLEXIBLE SETTING OF
MULTIPLE WORKING MODES**

Overview

Who are the best solar installation companies?

We selected Freedom Solar, Blue Raven Solar, and Palmetto as our top three choices for solar installation companies, with Freedom Solar getting our top vote. See how we compared these companies and other top-rated providers in our review.

Who is Solarwatt?

Solarwatt is a German photovoltaic pioneer of premium quality solar systems. The company enables home and business owners to efficiently generate their own solar power, sustainable heat and electric mobility in a complete system. Solarwatt's vision is to be the lifelong companion for people who want to produce their own clean energy.

How do I choose a solar panel installation company?

Customer ratings and reviews can provide an abundance of insight into how a company and its employees operate, so be sure to seek out highly rated companies. One final way to determine if a solar panel installation company is the right fit is to see what kind of solar equipment it uses.

Is SunPower a good solar company?

SunPower scored 4.8 out of 5 stars when compared to our methodology metrics. The company is the longest-standing U.S. solar panel installation company, boasts some of the highest quality solar panel technology on the market and maintains an A+ BBB rating.

How do I choose a solar company?

Carefully review a solar company's efficiency rating, warranty coverage, customer reviews, financing options, state availability, and equipment selection before making your choice. You can greatly reduce your solar panel cost by taking advantage of solar incentives, tax credits, net metering

programs, and local rebates.

Who is the best solar company in the northeast?

LGCY Power: LGCY Power provides one of the best guided solar consultations and offers detailed online articles covering the solar installation process. The company also partners with Sunrun, one of our picks for top solar companies.

Trinity Solar: Trinity Solar has served the Northeast for more than 28 years.
