Mfins solar Vanuatu

Overview

Who is mfins solar?

We specialize in solar power solutions that not only help reduce carbon emissions but also provide long-term cost savings for our customers. MFINS Services Pvt Ltd T-14, 3rd Floor, Sej Plaza, Marve Road, Near Nutan School, Malad West, Mumbai-400064. Copyright © 2011 MfinsSolar.

What is a Vanuatu solar PV system?

This project is aligned to the Government of Vanuatu's National Energy Road Map for increasing the energy access for rural communities in Vanuatu. The installed solar PV system is a stand-alone 230/400 VAC 50Hz solar micro-grid combined with 48V batteries operating 24 hours and 7 days a week.

Will a new solar micro-grid change Vanuatu's lives?

(Photo: Ian Iercet) On the remote island of Malekula, the second-largest island in Vanuatu, a new solar micro-grid is changing the lives of over 2,800 people - boosting local development while contributing to Vanuatu's sector specific target of transitioning to close to 100 percent renewable energy for electricity by 2030.

What is Vanuatu's New solar farm?

Set to be constructed by the Vanuatu Electricity Authority (VEA) in collaboration with the Asian Development Bank (ADB) and the European Union (EU), this solar farm boasts a capacity of 5 megawatts. Upon completion, it is expected to produce 7,500 megawatt-hours of electricity annually, enough to power around 2,000 local homes.

Why should you choose mfins solar?

At Mfins Solar, we are passionate about creating a sustainable future through the power of renewable energy. Our mission is to provide innovative and reliable clean energy solutions that not only meet today's demands but also

pave the way for a greener tomorrow.

Is solar a good idea for Vanuatu?

Antony Garae, Director of the Vanuatu Department of Energy, said this project is a great boon to his country, where 80 percent of rural residents lack electricity. “Solar is the best solution for these areas not only because of its obvious contributions to climate change mitigation but because fuel is costly and difficult to transport,” he said.

Mfins solar Vanuatu

PCS Limited

With the remoteness of the islands and limited access to centralised utilities, PCS also offers self supporting products suitable for the Vanuatu environment, including solar showers, hand spears, personal solar lighting and Lifestraw water filters.
