Recommendations for Solar PV design/installation? : r/Winnipeg

Does anyone have a recommendation for companies that design and install solar systems in Winnipeg? I'm thinking grid tied system around 10-12 kW with battery backup (or add down the road). Alternatively, has anyone gone DIY route and designed/installed their own system?

Montenegro plans new solar power plant in Nikšić?

The new project is a solar power plant named Bročanac, with a total capacity of 160 MW, which will be constructed in the Nikšić municipality.
