 Higher yields / Safe & Reliable / Smart / User-friendly The Fuji 70-110K grid-connected inverter is suited for medium and large-scale commercial rooftops and ground-mounted solar PV system in which reliability and stability are important. the full series inverter has 30% DC input oversizing ratio and 10% AC

### Empowering Economic Resilience: GEAPP and Partners Drive ...

4 ???· Since 2023, GEAPP has mobilized over \$4.2 million to finance projects in Myanmar, achieving 5 MW of rooftop solar projects and creating 1,500 jobs. This is a crucial step to address Myanmar's energy access gap, where per capita electricity consumption is 80% lower than the ASEAN average, and build resilience in critical economic sectors.

### About Us - Fuji solar

Fuji Solar Inverter Technology Co., Ltd. is dedicated to providing complete photovoltaic power system solutions, including residential and commercial power plants solutions. Also, Fuji Solar offers the right device for each application: for all module types, for grid-connection and stand-alone grids as well hybrid inverter system, for small
