VEVOR 500-Watt wind turbine generator offers exceptional efficiency and reliability, making it an ideal choice for home, farm, RV, boat and more. With 500-Watt high power, optimized wind energy utilization, durable

SD6 & SD6+ 6kW Small Wind Turbine

This provides excellent value to users of this durable and reliable small wind turbine. As wind speeds increase, the SD6 will maintain output and performance. When compared to alternative wind turbines, which need to brake themselves in strong wind conditions, the SD6 is the small wind turbine of choice.
