New Scam of Photovoltaic Panels

Overview

Are solar panels a scam?

Here's how to steer clear of the scams: Do some research. Avoid solar companies that say a government program will cover the whole cost of solar panels — or say they're from (or affiliated with) the government. These are lies. If you're looking at solar energy for your home, get quotes from reputable providers with a valid license.

Can you get a tax credit if you buy solar panels?

"The federal government does not have any programs that install solar panels on the homes of Americans for free," Jones-Albertus wrote. "A 30% tax credit is available to those who purchase a solar energy system."

Does rooftop solar have a fraud problem?

Rooftop solar has a fraud problem. The industry is working to build back trust. A crew installs a solar array on the roof of a home in Frankfort, Ky., in 2023. PHILADELPHIA — The solar power industry is booming and that growth helps the world meet its climate goals by replacing fossil fuels.

Do Americans get free solar panels?

American homeowners might be eligible for federal tax credits for solar installations or state subsidies for solar energy, but not free panels. The U.S. government does not provide free solar panels, said a U.S. Department of Energy spokesperson. The department urges people to report scams to the .

How do I protect myself from solar scams?

Protecting yourself from solar scams means taking a proactive approach and following a few key strategies. One of the most effective ways to protect yourself from solar scams is to know the average cost of solar panels in your area. By researching prices, you can identify quotes that are suspiciously high or low.

Are government solar panels free?

Samah Shaiq, a Department of Energy spokesperson, directed USA TODAY to an article the agency published regarding inaccurate claims about free government solar panel offers. "The Department of Energy is aware of claims of offers for free solar panels or that solar companies must provide solar panels for free if requested," reads the article.
