How many energy storage and solar inverter manufacturers are there?

In these reports, we present the Altman Z Scores of over 40 energy storage manufacturers, 30 solar inverter manufacturers, and 70 PV module manufacturers. These reports allow you to compare manufacturers and serve as a crucial indicator when selecting your PV module, energy storage, or inverter manufacturer.

Do energy storage & inverter manufacturers have warranty policies?

The financial stability of a manufacturer is geared to the validity and enforceability of the warranty policies on their products. Most people realize that today's Energy Storage and Inverter manufacturers will probably not be around in 25 years. However, for the short to medium term, you want to be sure that warranties are in place.
