

European Solar and Energy Storage Solutions

Saint Helena ambri company

Overview

Ambri Incorporated is an American which aims to produce for energy storage in wind and solar power systems. In 2016 it had thirty-seven employees.

Who is a good supply chain partner for Ambri?

Perpetua Resources, a natural resource company in Idaho, is also an ideal supply chain partner for Ambri, given that it has the largest domestic deposit of antimony, which is a key mineral in Ambri's battery chemistry."

Does Ambri have a long-term antimony supply agreement with Perpetua resources?

Ambri has also entered into a long-term antimony supply agreement with Perpetua Resources, whose largest shareholder is Paulson & Co. Inc. Antimony is a key mineral in Ambri's battery chemistry and this agreement would help secure a domestic source for its supply chain.

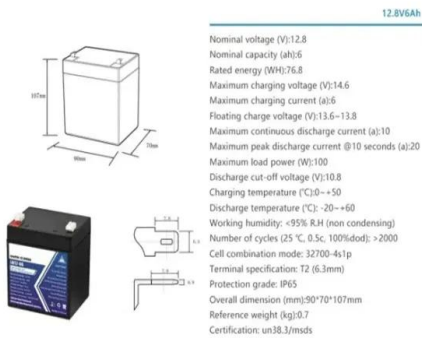

Will Ambri be auctioned in 2024?

In June 2024, Ambri will be auctioned under US Bankruptcy Court, District of Delaware (Wilmington), case 24-10952. Under Ambri's proposed auction rules, noteholders of Ambri's debt will make an initial bid worth \$38 million, using the debt owed to them in lieu of cash.

Will Ambri go bankrupt?

The company currently has plans to sell itself to noteholders, and will remain operational during the bankruptcy proceedings. In June 2024, Ambri will be auctioned under US Bankruptcy Court, District of Delaware (Wilmington), case 24-10952.
