Sapa Sui

Sapa sui is a dish native to the Samoan Islands. This iconic Pacific Island dish is similar to the very famous chop suey, a dish invented in the United States by Chinese immigrants. Sapa sui consists of meat (chicken, beef or pork), and quickly seared vegetables such as carrots, bok choy and red peppers that are sautéed in a sauce made of soy sauce, garlic and ginger.

Samoa Food and Culture

Sapasui: A Samoan twist on chop suey, sapasui is a noodle dish made with beef or pork, soy sauce, ginger, garlic, and vegetables. While it's inspired by Chinese cuisine, it has become a beloved part of Samoan family meals. Pisupo: Pisupo, or canned corned beef, is a modern addition to Samoan cuisine, introduced during colonial times. Though
