Top Solar Equipment Distributors in Slovakia

Solar Market Outlook in Slovakia The Slovakian Energy Ministry is committed to pushing its renewable energy sector in order to achieve its target in the next 5 years or so. Majority of the solar energy sector is dependent on supply equipment from the US and other global developers of PV systems in order to meet its targets.

Slovenské elektrárne purchased 3,24 MWh of brAln battery ...

The installation of a brAln battery storage together with a rooftop solar panel system in Humenné has been a big success and since its launch, has been reaching excellent results. Through this installation, the energy supplier has witnessed first-hand the effectiveness of our technology, which led to the decision to invest on a larger scale.

XVotic - XVotic

The battery storage for your home. Our fireproof protection, customizable colours, and simple-to-install, wall-mounted design makes TessBox the ideal solution for residential applications.
