What size is a storage locker?

These lockers can vary in size, but are usually about 5' wide, 5' deep, and approximately 4' tall (or half the height of our regular sized storage units). They're great for boxes, totes, seasonal décor, and other small items that you just don't have the space for at home. View our [Size Guide](#) for more information.

Is a mudroom locker necessary for your home?

A small mudroom locker can be beneficial for every home, even those with small entryways. Instead of taking up space, you'll realize that it makes the most out of every inch your room has. Every home can benefit from having a mudroom and a locker.

Do lockers serve a good purpose?

Overall, the lockers serve their purpose effectively, offering secure storage solutions for various settings. Good product, terrible instructions. Good product, terrible instructions. They should just post the video of the person who tested the product assembling it. Scanning a QR code would be much easier.
