Solar company s a Papua New Guinea

Overview

Who is solar energy Papua New Guinea?

We are Papua New Guinea's leading solar energy company, providing high quality solar services for your home or business through renewable energy.
WHY USE SOLAR?

Despite huge popularity in the rest of the world solar power has yet to take off in PNG.

Who is solar solutions PNG Ltd?

Solar Solutions PNG Ltd is a local company founded in 2013. We work to transform and empower Papua New Guineans by providing them affordable, safe, reliable, clean, quality, and environmentally friendly energy access; especially to those living off-grid in Papua New Guinea (PNG).

Is solar the cheapest form of energy in Papua New Guinea?

The cost of solar equipment worldwide continues to get cheaper every year and even without any government policy to encourage it, solar is already one of the cheapest forms of energy in Papua New Guinea. Many local companies already understand this and are making plans to transition but we need to grow the industry to meet demand.

Can Australia finance a solar plant in Papua New Guinea?

In 2020, Australia approved financing for a large scale Solar Plant in Papua New Guinea to be developed in partnership with PNG Power Ltd. The location for the proposed site remains in negotiation.

Is it safe to use solar in PNG?

This is for a variety of reasons but with recent developments in the PNG energy market its now safe and legally compliant to use solar for certain applications. Our policy experts have worked closely with our engineers to

develop a range of safe, economic and regulatory compliant solutions for using solar on your business or home.
