

European Solar and Energy Storage Solutions

Sonnex energie Réunion

Overview

Who is Sonnex?

Sonnex is a German solar company for premium quality and high efficiency solar modules, offering the 3 cutting edge technologies: PERC, N-type and smart solar modules. Different project applications require different module types; our product range covers them all.

What makes Sonnex different?

At SONNEX we distinguish ourselves from other brands by our focus on quality, aesthetics and sustainability. About Us-Premium German Solar Module_Sonnex Energie GmbH
Sonnex is a solar module manufacturer with different technology, including PERC modules and N-type HJT and IBC back contact solar modules.

What is Sonnex energy warranty?

Sonnex Energie offers up to 30 years of product warranty and 30 years of power warranty. Sonnex Energie makes use of cutting-edge automated manufacturing lines and strict quality assurance procedures to ensure top-notch products are delivered consistently. SNX-D54HN430-435MS Full black modules.

Why should you choose Sonnex?

With innovative technology and stringent quality control, Sonnex is devoted to offering highest efficiency and more reliable quality products to support our global partners and improves renewable energy efficiency. Recommended on: residential projects and industrial solar plants, higher efficiency is especially suitable on limited roof surfaces.

Sur nous_Sonnex Energie GmbH

Sonnex, un leader mondial dans la fabrication de modules solaires, disposant d'une capacité annuelle de plus de 2 GW. Avec son siège social en Allemagne, les produits de Sonnex répondent aux normes de qualité les plus élevées.

About Us_Premium German Solar Module_Sonnex Energie GmbH

About Us-Premium German Solar Module_Sonnex Energie GmbH Sonnex is a solar module manufacturer with different technology, including PERC modules and N-type HJT and IBC back contact solar modules. 2. GW Annual Capacity. 64. Countries Delivered. 10. Years of experience in solar industry.

Sonnex Energie GmbH , ???? , ??

Sonnex Energie is a leading German company specializing in cutting-edge solar energy solutions. With a strong foundation in Germany's renowned engineering excellence, we deliver high-performance photovoltaic (PV) modules,

energy storage systems, and inverters that meet the most stringent quality and reliability standards.

Sonnex Energie GmbH

Sonnex Energie GmbH. Módulo de la serie PEX. Los módulos de la serie PEX, diseñados con celdas PERC de tamaños de celda y módulo flexibles que incluyen 108 cells, 120 cells, 132 cells y 144 cells, pueden satisfacer los requisitos de diferentes proyectos.

modules solaires _Sonnex Energie GmbH

Sonnex est une marque allemande de modules solaires à haute qualité et efficacité. Elle fournit trois technologies avancées : les modules à cellules shingled, de type-N et PERC. Nos produits comprennent tous les différents types

de modules pour les applications de projets divers.

Premium German Solar Module_Sonnex Energie GmbH

Premium German Solar Module_Sonnex Energie GmbH. NeX Series Module. NeX Series modules which are produced with N-type cells secure better performance in long period operation with higher efficiency, no LID and lower temperature coefficient. NeX Series Module.

About Us_Premium German Solar Module_Sonnex Energie GmbH

As a global leading manufacturer of solar modules, Sonnex has more than 2GW annual capacity. With the headquarters in Germany, Sonnex stands for products that meet the highest quality standards of tomorrow. We only use the most recent cell technologies and go for a sublime finish.
