## Overview

---

What is South Africa famous for?

It is famous for the most extensive areas of forests in South Africa (a generally forest-poor country). In the south-west corner of the country, the Cape Peninsula forms the southernmost tip of the coastal strip which borders the Atlantic Ocean and ultimately terminates at the country's border with Namibia at the Orange River.

Is South Africa suffering from 'massive corruption & state capture'?

According to the International Monetary Fund, South Africa is suffering from "massive corruption" and state capture. The Zondo Commission, established in 2018 in order to investigate allegations of corruption and state capture released its findings in 2022.

## South Africa

South Africa, officially the Republic of South Africa (RSA), is the southernmost country in Africa s nine provinces are bounded to the south by 2,798 kilometres (1,739 miles) of coastline that stretches along the South Atlantic and Indian Ocean; [14] [15] [16] to the north by the neighbouring countries of Namibia, Botswana, and Zimbabwe; to the east and northeast by ...

## The nine provinces of South Africa

Before 1994, South Africa had four provinces: the Transvaal and Orange Free State - previously Boer republics - and Natal and the Cape, once British colonies. In 1910 these four states were united into a single country, the Union of South Africa, under British rule. This became the Republic of South Africa in 1960, under apartheid

rule.
